FINAL CHALLENGE – TEAM CHECKLIST

Use before presenting your team result.

■ Complaint summary is complete and neutral.

■ Allegations are separated from facts.

■ Every major observation has an evidence ID.

■ Potential risk areas include verification steps.

■ Investigation plan identifies documents and interviews.

■ Timeline uses only stated dates.

■ Evidence matrix is complete.

■ Management summary is concise and evidence-based.

■ Next actions have owners/dates or [TO CONFIRM].

■ At least three statements were traced back to the case pack.

■ No allegation is presented as a proven finding.

Team final statement

“We have verified the material we are relying on, identified what remains unverified, and have not treated AI-generated conclusions as findings.”
