FICTIONAL TRAINING DOCUMENT

Sample Ethics Complaint

For Copilot investigation-planning practice only

Case ID	ETH-TRAIN-026
Received	8 September 2026
Business area	Procurement – Facilities Services
Status	Initial assessment

Complaint

An employee reports that Vendor Orion Facilities was repeatedly selected for small maintenance purchases during the last six months. The employee states that some purchase requests were approved shortly after the work was completed and that the same vendor was frequently used even when other approved vendors were available. The employee also mentions that a procurement coordinator may have had a personal relationship with a vendor representative. The complaint does not include documentary proof of the relationship.

Information currently available

Item	Description
Purchase requests	18 requests linked to Vendor Orion Facilities
Approvals	Several approvals recorded after service dates
Vendor selection	Vendor Orion appears in 14 of 18 requests
Other vendors	Three approved vendors were available for the category
Relationship allegation	Unverified allegation of a personal relationship

Training task

Use Copilot to identify allegations, roles involved, potential risk areas, information required, and a reasonable initial investigation scope. Treat allegations as allegations; do not state that misconduct occurred unless supported by evidence.
