Period	April 2025 – March 2026
Reference	SCN/TRAIN/2026/014
Date of notice	15 May 2026
Response due	14 June 2026

Background

During a departmental review, the tax authority identified a difference between input tax credit reported in the taxpayer's records and the amount reflected in the reconciliation statement for selected vendors. The taxpayer is asked to explain the difference and provide supporting records.

Key observations

Observation	Training information
Input tax credit difference	■18,75,000 identified across selected vendor records
Invoices reviewed	42 invoices
Potential issue	Timing/reconciliation difference; the notice requests clarification
Documents requested	Purchase register, tax invoices, reconciliation statement and payment evidence
Important date	Response requested by 14 June 2026

Request from authority

Provide a written explanation of the reconciliation difference, supporting documents for the selected invoices, and any other information relied upon by the taxpayer. The notice states that the taxpayer may submit a response by the due date.
